Re: Temporary Seed Mix Amendment
Savage Coal Terminal
C/007/022
Carbon County, Utah

Dear Mr. Haddock:

Enclosed are 3 copies of a proposed amendment to the Temporary Seed Mix for the Savage Coal Terminal. This is a much simpler mix than that presently in the plan. The existing mix has been used in the past with very little success. The company would like to try the simpler proposed mix to see if better results can be attained.

We would like to try to reseed our topsoil stockpile areas with the proposed seed mix as soon as possible. If you have any questions or need additional information, please let me know.

Sincerely,

John M. Walters
General Manager
